All that will be required is for you to unpack boxes and move straight in.

These properties were designed to maximise space and light, and with high ceilings and feature windows they achieve both brilliantly. The open plan living area has clear purpose with the layout, and the double bedroom is generous in size. With this being a select development of twenty high end apartments, the quality of finish and attention to detail is to a very high standard, with lift access and a secure entry phone system. This property comes with no onward chain.
