HOUSE

ABOUT THE DEVELOPMENT

Compass House is an exciting development of luxurious 1 and 2 bedroom apartments located in the heart of Camberley close to the pedestrianised town centre. Each apartment has been designed to a high specification with carefully considered living spaces incorporating an array of mod cons. The contemporary style kitchens offer integrated Bosch appliances and quartz worktops with glass splashbacks. Many of the apartments boast wonderful views to the North over the delightful Surrey countryside. Whilst being centrally located, the development also offers parking options within the private gated car park to the rear of the site in addition to secure bicycle storage.

EXAMPLE USING
HELP TO BUY*

When the home in this illustrative example is subsequently sold, you'd receive 80% of the price and the remaining 20% would be used to pay back the government loan. You'd need to pay off your mortgage with your share of the money.

* Terms apply, subject to eligibility. ** The mortgage contract will be secured by a mortgage on the property. Your home may be repossessed if you do not keep up repayments on your mortgage. You may have to pay an early repayment charge to your existing lender if you remortgage.
