Description

This delightful four/five bedroom family home, in a quiet cul-de-sac, is offered to the market with significant improvements over the years. Walking through the front door, you are greeted by a spacious hallway inviting you to the living area. There is a gas fire sitting in the middle of a beautiful fireplace, a lovely substantial window and a sliding door which takes you into a further lounge/dining room which offers patio doors into the garden. A further double aspect appeal is offered if the sliding doors were to be left open, inviting ample light. Leading the way through to well equipped kitchen, complete with integrated appliances, and further on to a generous utility room with access to both the garage and the garden. The property offers further downstairs space, with a versatile room that can either be a bedroom, study or a playroom, complete with an en suite. The first floor is set up perfectly for family life with four double bedrooms, all of which benefit from built in storage. In addition to this, the principal bedroom further benefits from both a dressing room and multiple built in wardrobes, along with a wonderfully spacious four piece en suite bathroom.

Outside

At the front of the property is parking for multiple vehicles and access to the garage with full power, allowing the current owners to charge their electric car. There is a beautiful front garden that is laid to lawn with side access to the rear garden. Facing directly South, the rear garden is a real wow factor and sun trap and helps to power the collection of solar panels placed on the rear of the property. The garden is tiered and beautifully landscaped, whilst being wonderfully maintained with a mature shrub border. There is a further area for a vegetable patch, as well as multiple areas that are laid to lawn; this garden has it all. Enclosed by walls and panelled fencing, offering privacy and a spacious patio area, the garden also lends itself perfectly for al fresco dining and entertaining guests, with a built in BBQ.
