Description

Located in a popular cul-de-sac, just off Velmead Road, is this wonderful three bedroom, detached bungalow, offered with no onwads chain. A spacious hallway greets you and leads through to a spacious living room, with feature fireplace. It offers a large window that looks through to the conservatory, offering lots of light, and also leads to a study area. Through to the conservatory, the current owners have set it up as a dining room, with lovely view into the private rear garden.

The second part of the conservatory is open plan, with the kitchen, and is currently laid out with a breakfast bar. The kitchen is modern and features modern appliances. There is also a utility room.

The property is very tastefully decorated and is in very good order.

Leading through to the three bedrooms, all of which being double. The principle bedroom offers an en suite and there is also a further family bathroom.

Finally, the current owners have converted the garage into a further reception room, with running water, that could be converted further into an annexe. It is also a superb office space for working from home.

Outside

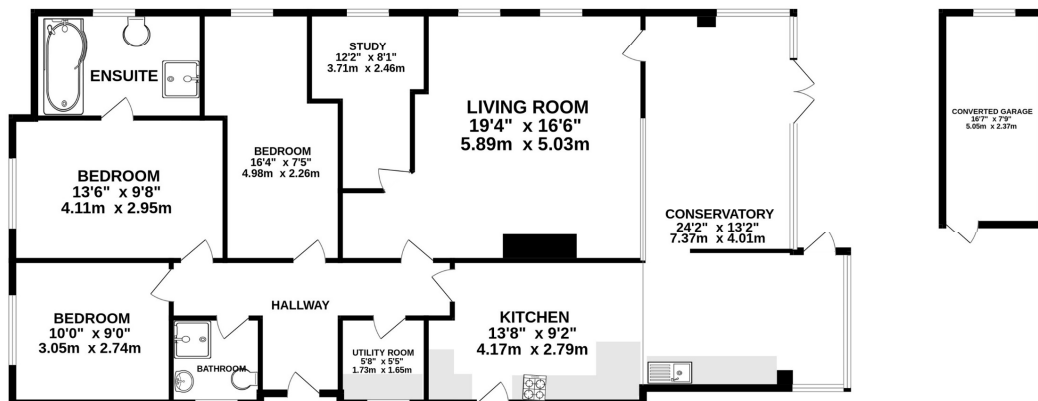

The property is located in a quiet Cul-de-Sac, 15 minutes' walk from Fleet Town Centre.

It offers driveway parking for multiple cars, as well as a front garden, mostly laid to lawn with mature shrub border.

Side Access is offered and leads to the private rear garden. This is split into three areas, Patio area, perfect for al-fresco dining, an area laid to lawn and a final space that is currently laid with bark. It Further offers superb vegetation, creating a colourful but not high maintenance garden.

Floorplan

GROUND FLOOR

Whilst every attempt has been made to ensure the accuracy of the floorplan contained here, measurements of doors, windows, rooms and any other items are approximate and no responsibility is taken for any error, omission or mis-statement. This plan is for illustrative purposes only and should be used as such by any prospective purchaser. The services, systems and appliances shown have not been tested and no guarantee as to their operability or efficiency can be given.
