Description

Bridges are excited to offer to the market this two double bedroom apartment, which is located on the third floor of a smaller block of flats in the ever-popular Victory Hill development. The property is within walking distance from the town centre and Festival Place. One of the standout features of this apartment is the fact it also comes with a garage on site, as well as allocated parking. This is a rarity with properties of this nature and something the new owners will benefit from. Being only one of two flats on the top floor of this block, you do benefit from a bit more privacy, as well as some great views from the Juliet balcony in the living room. This property is available with no onward chain complications so is perfect for first time buyers.

Outside

Outside there are some lovely communal garden areas, all of which have been maintained impeccably and provide some peaceful areas to relax in. Festival Place is a stone's throw away with its range of shops, bars and restaurants, as well as Basingstoke Mainline Railway station - giving you easy access to London and other commuter areas.
