## Description

A unique three bedroom property built in 1960, designed by renowned modernist architect Lawrence Abbott and set in a small tree lined cul-de-sac of 32 award winning homes in the heart of Frimley town centre. The property benefits from extensive renovations by the current owners to a high specification and is offered to the market with no onward chain. The light and spacious accommodation comprises of a refitted kitchen/diner, refitted cloakroom and plant room all on the ground floor.

To the first floor you have the principal reception room and refitted main bathroom.

To the second floor you have the main double bedroom with fitted wardrobe, a further double bedroom with fitted wardrobe.

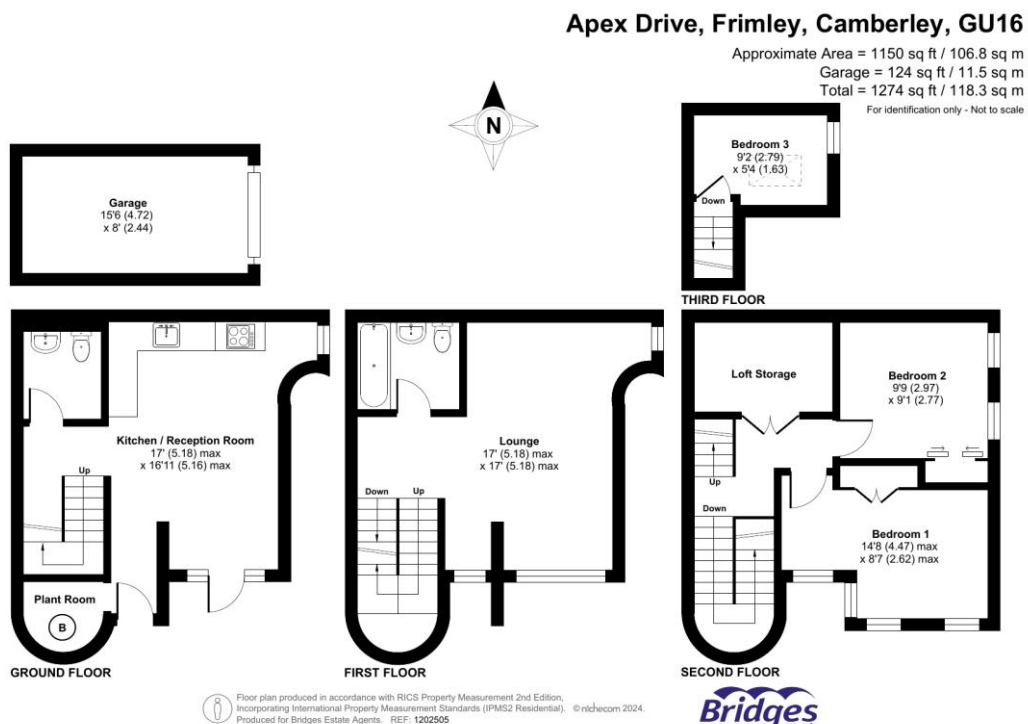

To the third floor you have bedroom three/office.

An internal inspection is highly recommended to truly appreciate all that this property has to offer.

## Outside

Externally the property is nestled within the cul-de-sac with a selection of trees and greenspaces. To the front of the property, you have a courtesy footpath leading to the part walled courtyard garden space and front door. On the road there is resident parking as well as a single garage in a nearby block.
