Description

Located in the popular area of the Harrow Estate, this extended four bedroom home is presented in excellent decorative order throughout and has been thoughtfully designed to create a great family home - we cannot wait to show you around. Sitting in a small lay by area away from the main road, the property overlooks an area of grass and trees - giving you some great views and one of the most pleasant outlooks in Basingstoke. With the extension work done you now have two large reception rooms on the ground floor and a downstairs shower room, which is exceptionally useful. The hub of the household is the extension out the back, which gives you a large kitchen diner with vaulted ceilings and skylights that increase the sense of space and light significantly. This room pairs perfectly with the two open plan rooms to create a great living space that everyone will enjoy. Upstairs there are now four generous bedrooms, with three of the four being genuine double bedrooms. The family bathroom has also been extended to provide a huge space, with a modern four piece suite that will impress anyone who comes to view. The garage is another standout feature as it is longer than a standard garage and has power and lighting and an electric roller door.

Outside

Externally, there is a large and sunny garden which is perfect for any growing family and ample driveway parking for multiple vehicles to the front. The area of The Harrow Estate has always been popular with local people for the fact it is surrounded by areas of greenery and trees, and this property boasts one of the best locations within this area in our opinion. With easy access to local amenities and great schools, as well as giving easy access to the town centre, it really gives you the best of both worlds.

Floorplan

Whilst every attempt has been made to ensure the accuracy of the floorplan contained here, measurements of doors, windows, rooms and any other items are approximate and no responsibility is taken for any error, omission or mis-statement. This plan is for illustrative purposes only and should be used as such by any prospective purchaser. The services, systems and appliances shown have not been tested and no guarantee as to their operability or efficiency can be given.
