Description

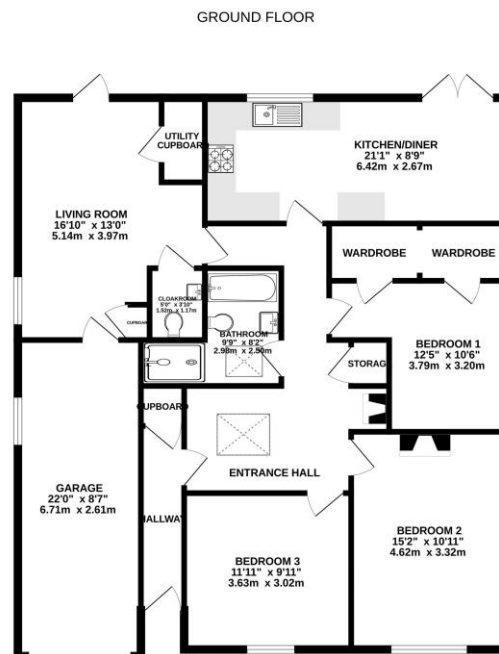

Having been extended and refurbished to an exceptional standard this stunning detached bungalow is one of a kind and we cannot wait to show you round. With three double bedrooms, a landscaped, low maintenance garden and a cul de sac location this is a great opportunity for anyone who wants to live in a semi rural area that is still close to a town and has local amenities conveniently close by. As you enter the property there is a welcoming entrance hall with a sky lantern to make sure it is flooded with natural light. This also houses a working log burner which is capable of heating the whole property if needed. The four piece modern bathroom has been recently refitted and has a separate shower as well as a bath, and has another sky lantern to continue the feeling of space and light. All three bedrooms are genuine double rooms, with the main bedroom benefiting from two walk in wardrobes which isn't something you get to see every day. The open plan kitchen diner at the rear of the property has also been refitted and is the perfect hub of the home, with the large living room being adjacent to it and enjoying direct access to the rear garden too.

Outside

Externally the garden has been designed to be easy to maintain and enjoyed all year round. It is exceptionally private and in this cul de sac everyone knows their neighbours as it is a great place to live. The garage on this property is very sizeable, perfect for anyone who tinkers or has a hobby. Oakley village is to the West of Basingstoke and enjoys a rural feel. With numerous areas of greenery and outside space all close by. The village has two great pubs and a range of local shops perfect for day to day living. There are great Infant and Junior schools for those that need them, and Basingstoke town centre and Festival Place are roughly three miles away when you need a train station or a shopping spree.
