WELCOME TO FARNBOROUGH

Farnborough is one of Hampshire's greenest borough's with several beautiful parks, woodlands, and open spaces.

Set within the leafy Borough of Rushmoor, Farnborough offers a vibrant town centre with an array of shops, restaurants, cafés, seven screen Vue cinema complex and works have begun for the creation of a new leisure centre and civic hub.

As well as being an important business destination, Farnborough has a very successful and well attended college where facilities include the Aerospace and Automotive Academy, Beyond Fitness Gym, Gallery Restaurant, Graphic Design Suites, Hair and Beauty Academy, TV and Radio Studios, University Centre Library and more.

Degree and Higher Education students make use of the new University Centre building for small lectures, as well as other specialised facilities. The new building provides bright and welcoming spaces to learn in, with a Starbucks coffee shop, computers, library and plenty of study areas under one roof.

The proposed Civic Quarter will provide a mix of leisure and civic facilities as well as housing. Horizon Farnborough is a major retail development which has attracted retailers such as Hobbycraft, Smyths Toys and Decathlon.
