Description

Located in the heart of the town centre this one double bedroom apartment has been recently redecorated and is available with no onward chain. Benefitting from allocated parking, the property is also within walking distance to the train station, and Festival Place is literally on your doorstep too. The apartment is located on the sixth floor, and this particular design is generous with its accommodation, as well as its storage. There is an open plan living space which flows perfectly into the modern kitchen area, and a wrap around balcony that has generous windows that flood the room with natural light. There is also a huge double bedroom with built-in wardrobes and a modern three piece bathroom to support this. The apartment also offers a huge amount of storage, making this an exceptionally practical property too. Perfect for first time buyers, we cannot wait to show you around.

Outside

Outside the property, there is a lovely communal garden area, all of which has been maintained impeccably and provides some peaceful areas to relax in. Festival Place is a stone's throw away with its range of shops, bars and restaurants, as well as Basingstoke mainline railway station, giving you easy access to London and other commuter areas.
