Description

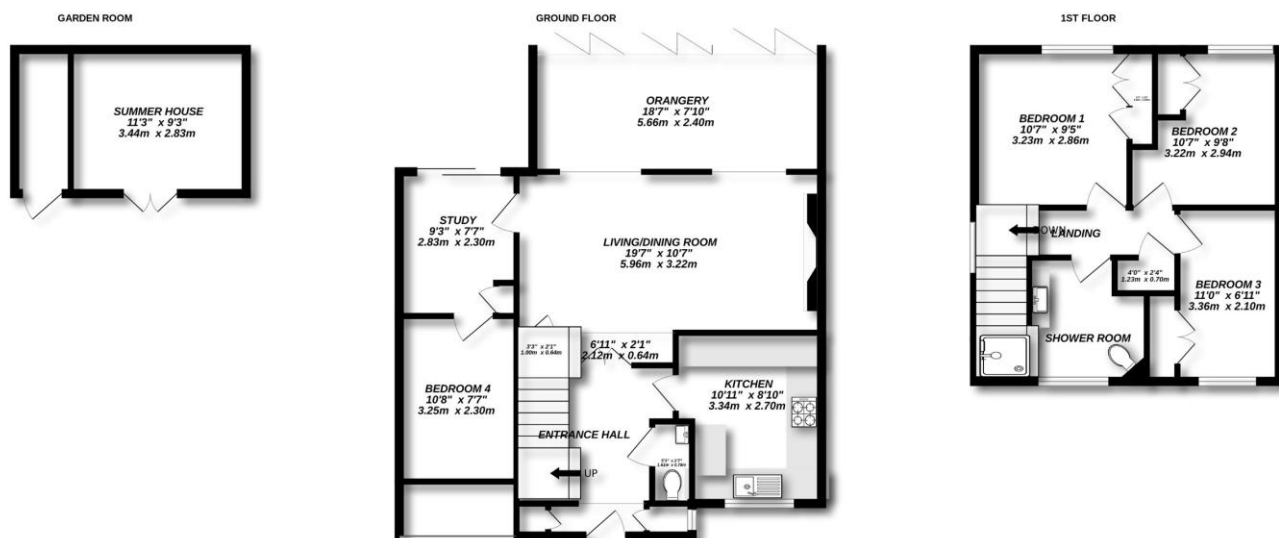

Coming to the market in immaculate condition throughout is this deceptively spacious three bedroom link detached house. Tucked away at the bottom of a quiet cul-de-sac, and backing onto an abundance of mature trees and a quaint little stream, this property is perfect for those with children, dogs and those who enjoy the outdoors, you are also a short walk away from Hawley woods and lake! On arrival to the property, you are greeted with a driveway for at least two cars, that has been pathed in an eye catching grey. Internally, the downstairs footprint consists of modern kitchen, complete with built-in appliances, downstairs cloakroom, bonus bedroom with sky light from the original garage conversion, play room and most importantly, the impressive 30 plus foot living room, dining room and orangery space. This open plan area still has the cosy feel for the living room being slightly separated. With bi-fold doors opening up to the private rear garden. Upstairs, you will find three double bedrooms and modern family shower room. Viewings on this property are highly recommended.

Outside

The garden is low maintenance, suiting a busy family! You have the added benefit of a fully insulated log cabin in the garden, currently used as a work from home office space.
