Description

With spectacular views over the famous Farnborough airfield and the tree tops, this top floor apartment would suit someone who appreciates beautiful scenery.

Comprising of two double bedrooms, the apartment is deceptively spacious and very unique due to its quirky shape. The principal bedroom has a Juliet balcony and an en suite shower room.

The main living space is further down the hall, and the property has its own separate kitchen, with plenty of worktop space and cupboards, with the added bonus of a window for ventilation, something quite rare in this development!

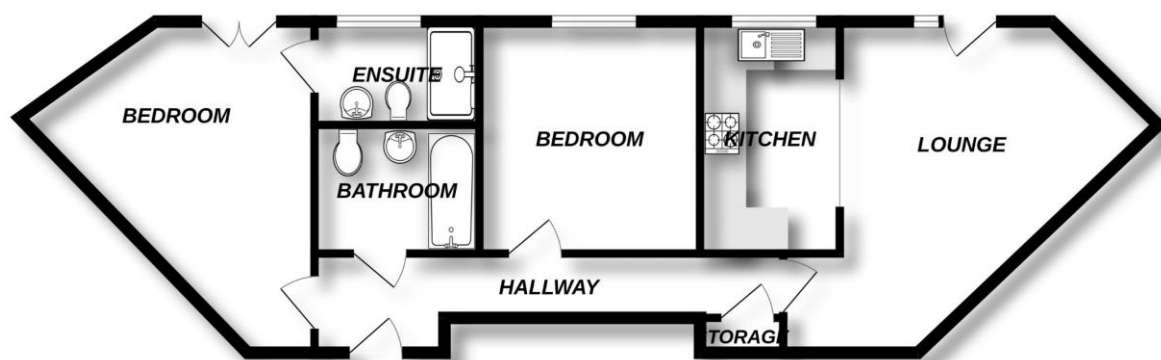

You have a separate family bathroom, ideal for those with children and a storage cupboard at the end of the hallway.

The property benefits from an allocated parking space, as well as plenty of visitor parking.

Outside

The property benefits from an allocated parking space, as well as plenty of visitor parking. There are beautiful and well kept communal grounds surrounding the block. Overlooking Farnborough airfield, Queensgate development would suit aviation enthusiasts and those who prefer a quieter location still in good proximity to Farnborough town centre but out of the hustle and bustle. You have easy access to the A331, M3 and both train stations.
