HARTLAND VILLAGE

Pinewood Green

HAMPSHIRE

CAMELLIA COURT

1, 2 & 3 BEDROOM APARTMENTS

St Edward
Designed for life

welcome to
hartland
village

DISCOVER A VILLAGE FOR LIFE IN THE IDYLIC HAMPSHIRE COUNTRYSIDE.

Welcome to Camellia Court at Pinewood Green, the new phase of homes at Hartland Village. Beautifully designed and crafted for modern living, these one, two and three bedroom apartments offer light-filled interiors with the flexibility to suit your lifestyle, and private outdoor space.

Pinewood Green will also be home to the village centre and green with shops, services and other amenities, so you can enjoy all the ease, sociability and convenience of living just a short stroll from daily essentials. Hartland Village already has a vibrant and diverse community ready to welcome you, and these new facilities will enhance it even further. This is a place where people come together, build relationships and create a rich and satisfying life for everyone to enjoy.

HARTLAND VILLAGE
EMERGES AS MORE THAN
JUST A RESIDENTIAL ENCLAVE;
IT EMBODIES THE ESSENCE
OF A THRIVING COMMUNITY.

At Hartland Village, it's all about the people. Like all villages, the community is what makes this a special place to live. From the very beginning, Hartland Village has been crafted to help nurture a strong community, with the open spaces and thoughtfully designed properties that support a variety of residents and give them places to meet and mingle naturally.

With its tranquil surroundings and vibrant atmosphere, Hartland Village cultivates a sense of belonging among its residents. This new collection of homes gives you the opportunity to join this community as it grows.

Hartland Village residents*

BE PART OF A THRIVING VILLAGE LIFE

The Hartland Village community is enterprising and energetic, helping to create a place that is becoming the focal point for the local area.

Events such as open air cinema screenings, Pimm’s on the green, Eid celebrations and a Caribbean evening are a regular feature of life here, bringing residents together and drawing people in from surrounding neighbourhoods, firmly placing Hartland Village at the centre of the community.

Clubs and activities such as running, dog walking and fitness classes have sprung up in the community, while the Stable & Ground coffee truck is a popular place to meet and catch up with neighbours.

Residents have not only found a wonderful place to live at Hartland Village, but also made lasting friendships and created opportunities for their interests, hobbies and businesses to thrive.

“I really enjoy the Eid celebrations, the Diwali celebrations, Chinese New Year. I think diversity and inclusion is so important and we do that really well at Hartland Village.”

- Surjit, Community Engagement Manager

“We absolutely love it. We feel part of the community because everyone comes together.” - Ruchi

The Hartland Village Dog Show brought together dog owners and enthusiasts from the local area to showcase their furry friends.

THE VILLAGE CENTRE, CONVENIENTLY LOCATED AT THE CENTRE OF PINEWOOD GREEN, WILL BE THE HUB OF HARTLAND VILLAGE.

Featuring a range of services, shops and a café, with landscaped open space and the neighbouring village green, the village centre will be the focus of local life with a stimulating and animated atmosphere.

As well as the amenities and green spaces within the village, you also have the 70-acre Hartland Country Park on your doorstep. Take a relaxing walk or invigorating bike ride along its paths, meandering through woodland and alongside meadows and ponds.

- A management company will be appointed to administer the effective operation and maintenance of the communal and estate facilities for which a service charge will be levied and apportioned to the benefit offered

Your attention is drawn to the fact that it may not be possible to provide branded products as referred to in the specification. In such cases, a similar alternative will be provided. St Edward reserves the right to make these changes if required. Showhome photography is indicative only.

EXCEPTIONAL QUALITY SUSTAINABLE DESIGN

Photography of Hartland Village

*This is how we are ensuring
sustainability at Hartland Village*

PEOPLE, PLANET, PROSPERITY

Sustainability is fundamental to St Edward’s ethos. In simple terms, we want to ensure the long-term health, wellbeing and prosperity of people and the planet. There are a range of ways we are managing and minimising the environmental impact of our operations and delivery of homes and communities. These are the initiatives we have implemented at Hartland Village.

NATURE AND BIODIVERSITY

Parkland, trees, flowers, ponds, gardens – these are the fundamentals of a thriving natural environment that can be enjoyed by everyone. They are all part of our commitment to net biodiversity gain on our developments. Within and around Hartland Village, we have created natural habitats that encourage wildlife to flourish. In addition to the new 70 acre country park, we have translocated 2.6 acres of acid grassland, will be planting over 1,000 new trees, and are providing many new biodiverse features, including swift and bee bricks, butterfly banks and bird boxes.

WASTE AND RECYCLING

We actively encourage all residents to reduce their waste wherever possible. We provide integrated recycling bins in kitchens to make it easier to separate and recycle waste.

WATER EFFICIENCY

Our homes are designed to high water efficiency standards and are fitted with dual flush WCs, and low-flow taps and showerheads which use less water without compromising convenience and comfort. We also suggest simple steps to reduce water consumption, such as not leaving taps running unnecessarily.

ENERGY EFFICIENCY

Efficient use of electricity and gas helps lower fuel bills and reduces carbon emissions. Our homes have been designed to use less energy than a standard home. They have enhanced levels of thermal insulation and air-tightness, all lighting is low energy and kitchen appliances are energy efficient.

NOISE REDUCTION

We can't eliminate noise, but we consider the impact of noise in the design of our homes. We consider external noise, such as from nearby roads, and internal noise including the transfer between rooms and floors. We incorporate measures to reduce the different types of noise wherever possible to create a quieter environment.

SUSTAINABLE TRANSPORT

Fleet, Farnborough Main and Farnborough North train stations are all local to the development. Trains from Fleet and Farnborough Main provide easy access to London and from Farnborough North there are direct links to Guildford and Reading. We offer a shuttle bus service in the mornings and evenings, transporting residents to and from the development and Farnborough Main station. The service is available Monday – Friday excluding Bank Holidays.* In addition to cycle paths across the development, and cycle storage for each home, communal electric vehicle charging points will be installed across Hartland Mews. This will encourage the use of more sustainable methods of transport, to help reduce air pollution around the development and the wider area. These active methods of transport also help encourage healthier lifestyles.

STEWARDSHIP

Maintaining our communal open spaces and facilities in perpetuity is an important benefit to the whole community. We work with RMG Estates and residents to ensure the development remains in pristine condition.

FUTURE-PROOF DESIGN

From the early stages of design, we assess how our homes will stand up to the future effects of climate change, such as how they will be affected by higher summer temperatures, periods of drought, or more extreme rainfall. For example, at Hartland Village all homes benefit from rainwater harvesting, whilst Sustainable Urban Drainage features, such as swales and ponds, will help manage surface water runoff and minimise risk of localised flooding.

*Terms and conditions apply. Please speak to a Sales Consultant for further information.

BERKELEY GROUP

DESIGNED FOR LIFE

At St Edward, we are committed to creating great places where people love to live, work and relax. Where the homes are light-filled, adaptable and finished to very high standards. Where carefully planned public areas enhance well-being and quality of life for residents and visitors. Where people feel a sense of community.

CUSTOMERS DRIVE ALL OUR DECISIONS

We achieve that by putting our customers at the heart of everything we do. First, we strive to understand what our customers want and need – well-built homes, in a pleasant and safe neighbourhood, with plenty of amenities and good transport connections. Then we apply that understanding to all our planning and design decisions. And for every new development, we challenge ourselves to go further, to improve and innovate, ensuring we satisfy the real needs of our customers in inspiring and sustainable ways.

CHOICE AND DIVERSITY

No two St Edward customers are the same, so we aim to offer a wide choice of property location, size and type. From central London to major towns and cities; from market towns to rural villages, countryside to the coast – we build in locations our customers love. And whatever home you are looking for, whether that's a city penthouse, a modern studio apartment or traditional family home, you will find the perfect fit for your lifestyle.

QUALITY FIRST TO LAST

Quality is the defining characteristic of St Edward developments, right down to the very last detail. We choose our locations, style of homes, construction practices, materials and specifications with great care. When you buy a new home from St Edward you can be safe in the knowledge that it is built to high standards of design and quality, has low environmental impact and that you will receive a professional, efficient and helpful service from us. For extra peace of mind, all new properties come with a 10-year build warranty.

GREEN LIVING

For St Edward, sustainability isn't simply the latest buzzword. We are committed to creating a better environment within our developments and in the areas that surround them. That's why we build on brownfield sites whenever we can, bringing new life to disused and unloved spaces. We take care to protect the natural environment and enhance biodiversity. All our homes are designed to reduce water and energy consumption, and to enable residents to recycle waste.

COMMITMENT TO THE FUTURE

When we plan a development, we take a long-term view of how the community we create can thrive in years to come. Our aim is to permanently enhance the neighbourhoods in which they are located, through intelligent design, quality landscaping, sympathetic architecture or restoration, and high standards of sustainability. We don't just build for today; we build for the future too.

TRANSFORMING TOMORROW

AT BERKELEY GROUP OUR PASSION
AND PURPOSE IS TO BUILD QUALITY
HOMES, STRENGTHEN COMMUNITIES
AND IMPROVE PEOPLE’S LIVES.

Photography of Hartland Village, lifestyle photography and Computer Generated Image are all indicative only

We are innovating, pushing boundaries and taking action to ensure we have a long-term, positive impact that is good for our customers, the communities we touch, our business and the world around us. We transform underused sites into exceptional places and we’re also transforming the way we work; embracing technology and raising standards, as we continue to deliver an outstanding customer experience and create high-quality homes that delight our customers.

*Our Vision 2030 is our ten year plan
which sets out how we will achieve this.*

TRANSFORMING PLACES

Working with local people and partners we create welcoming and connected neighbourhoods where you can be proud to live.

TRANSFORMING FUTURES

Helping people to reach their potential through apprenticeships and training, and programmes supported by the Berkeley Foundation.

TRANSFORMING NATURE

Creating beautiful places with habitats that help nature to thrive, meaning that every site is left with more nature than when we began.

TRANSFORMING LIFESTYLES

Taking action on climate change and giving you ways to live more sustainably. We’re building efficient homes that use less energy over their lifetime, with sustainable travel choices on the doorstep.

St Edward complies with the Consumer Code for Home Builders which ensures that home buyers are treated fairly, know what service levels to expect, are given reliable information upon which to make their decision and know how to access fast, low-cost dispute resolution arrangements if they are dissatisfied.

Please scan this QR code for more information on how we are TRANSFORMING TOMORROW

WHAT IS MYHOME PLUS?

MYHOME PLUS IS A NEW ONLINE SERVICE DESIGNED TO HELP YOU MANAGE BUYING YOUR NEW HOME AT ANY TIME IN ANY PLACE.

The buying process

This is a step-by-step guide to the Buying Process from reservation through to completion, moving in and warranty. At each milestone, the Buying Process section advises on the next steps so that you can be absolutely clear on your current position and what to expect next.

1. FILING CABINET

In the filing cabinet section you can access documentation relating to your new home immediately at your own convenience.

2. MEET THE TEAM

This section provides an introduction to the team that will be working with you throughout your journey and details their individual roles. You can e-mail any member of the team directly via this section.

3. OPTIONS & CHOICES SELECTION

We are able to offer some choices on certain internal finishes of your new home. Whether this option is available to you will depend on what stage of construction the property has reached at the time of you making your reservation. See the next steps section for further details on this.

4. CONSTRUCTION PROGRESS

Under this section, regular updates on the construction of your new property will be provided, keeping you up-to-date on the progress on site and the local area. Your Customer Relations Manager will issue regular updates and photographs to this section throughout your journey.

Next steps

1. GETTING STARTED

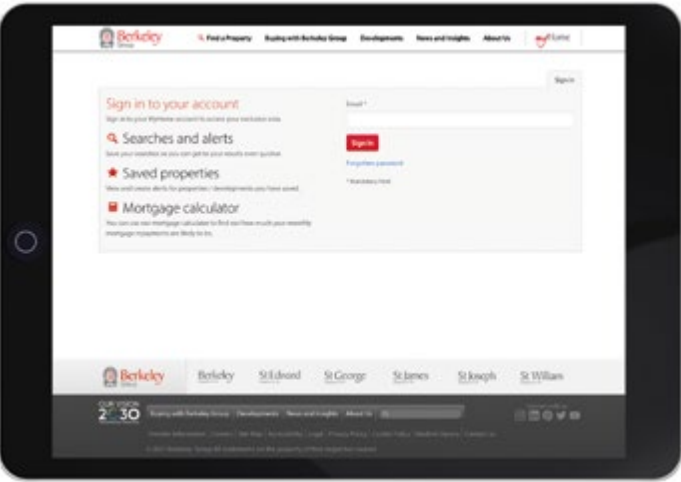

Your Sales Consultant will send you a link that you will need to activate to access MyHome Plus. The link will require you to set a password for access. Please note that for data protection reasons, the link is only valid for 24 hours. You are required to validate your account and change your password within 24 hours of receiving the e-mail, in order to access your personal property information and updates.

2. INTERIOR SELECTIONS

Customer Relations will then be in touch to invite you in to our Showhomes to view the interior selections available for the internal finishes that you have an option to select. If you cannot make it to the appointment, the options can be discussed over the telephone and selected via MyHome Plus. Customer Relations will need to receive your choices selection by the deadline date, which will be given in advance.

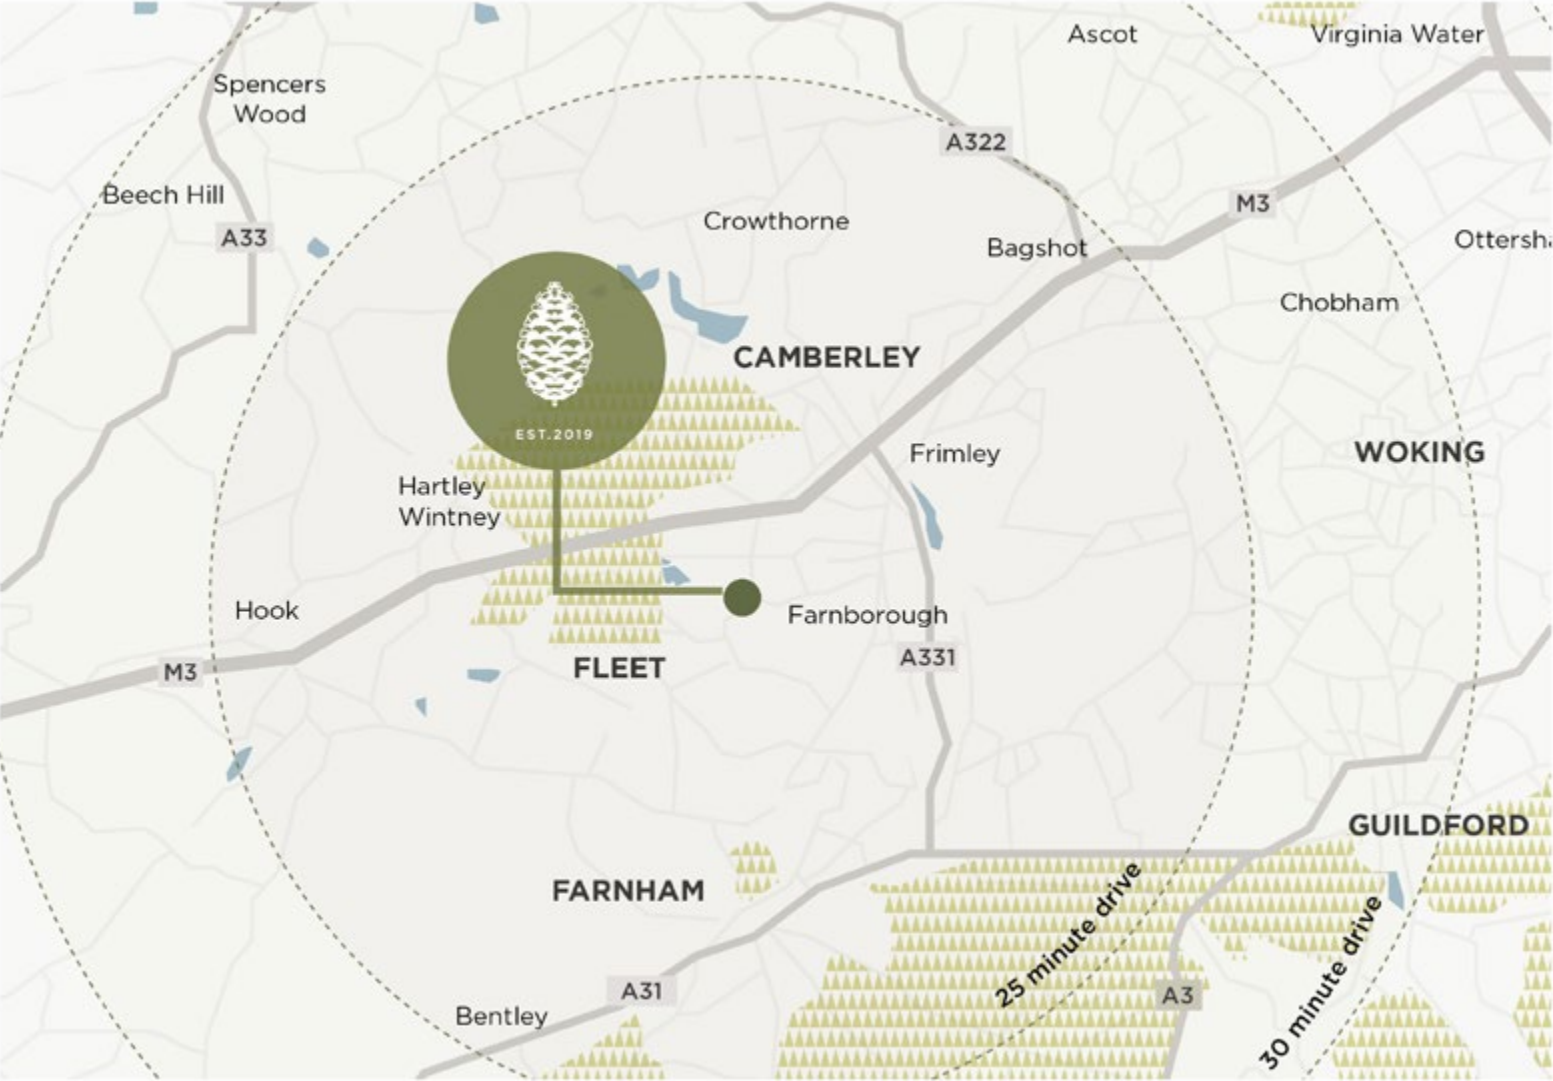

Sign in by visiting [BerkeleyGroup.co.uk/my-home/sign-in](https://berkeleygroup.co.uk/my-home/sign-in) or scan the QR Code on your smartphone
