The Property

Situated on a private driveway consisting of just a handful of executive properties, this detached family home boasts almost 3,000 square foot in accommodation and occupies an overall plot measuring a quarter of an acre.

Having been extended and altered, the original property dates back to the Victorian era. You are greeted with a superb entrance hallway with ceilings extending up to the first floor and an abundance of natural light. There are four reception rooms to provide ample space for entertaining, 18' kitchen, utility room, and a cloakroom.

Moving upstairs you will find the stunning galleried landing that offers access to the five double bedrooms, three of which offer built-in wardrobes. There are two en suite bath/shower rooms plus a further family bathroom.

Camberley town centre and railway station are within close proximity to the property, as are popular local schools, transport links, and Frimley Park Hospital.

Outside

Crawley Hill occupies a 0.25 acre plot, mainly laid to lawn with an area of patio adjoining the rear.

There is a detached timber built 18' carport at the bottom of the driveway, which provides parking for several vehicles, and there are various flower and shrub borders to the side and front.
