Description

This beautifully refurbished three bedroom terraced home has been thoughtfully upgraded by the current owners, offering a stylish, move in ready property with lasting comfort and peace of mind.

A standout feature is the impressive renovation, which includes a modern cloakroom, wet room, and practical utility room — all finished to a high standard. The stunning refitted kitchen features a range cooker, stylish cooker hood, and charming butler sink. The former bathroom has been transformed into a luxurious shower room with floor to ceiling tiling for a sophisticated touch.

All three bedrooms include fitted wardrobes for excellent storage. Outside, the west facing landscaped garden — around 60 feet long — is ideal for enjoying the afternoon sun.

Further highlights include a bright conservatory, potential to extend or convert the loft (subject to planning), and a garage opposite the property with parking in front.

Outside

Both the front and rear gardens have been landscaped by the current owner. The rear garden is enclosed with wooden fencing and a brick walled area. It features an expansive paved patio, with the remainder laid to lawn and bordered by flowers and shrubs.

The front garden is enclosed with picket fencing and includes a paved patio area leading to the front door and utility room's external door. The rest is laid to lawn.
