Description

Set in a quiet cul-de-sac in the heart of Farnborough, this four bedroom semi-detached home has spacious rooms throughout which is perfect for any growing family

On the ground floor there are two huge reception rooms either side of the hallway, meaning everyone has their own space and it's a great space for day to day living as well as entertaining. Supporting this is a kitchen diner which is 15 feet in width and sits at the rear of the home. This is the hub of the household also and provides direct access to the rear garden.

Upstairs, all four bedrooms can fit a double bed in them and they are perfectly supported by a modern shower room. The surrounding neighbourhood is very well regarded, with schools, parks and local shops within easy reach.

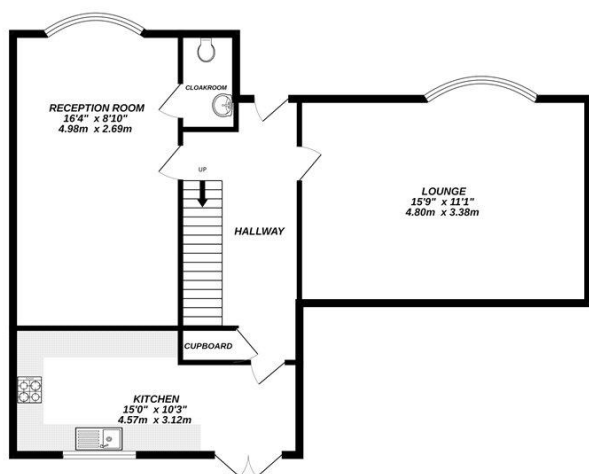

This home offers a great opportunity to create your own style as it may require some decoration internally, but with the space and size on offer this really is an exciting proposition ready for a new family to move in.

Outside

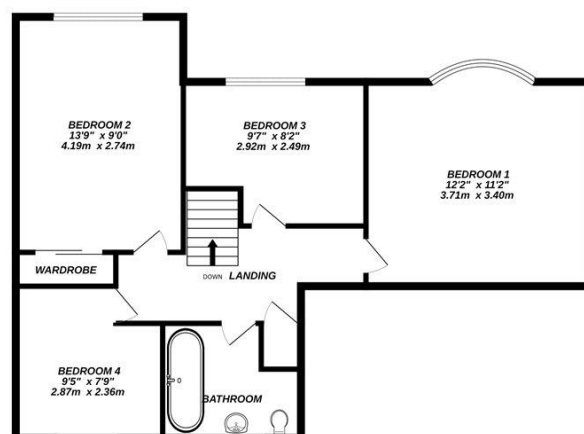

Externally the property has a well proportioned rear garden which has been designed to be low maintenance currently. This outside space is private and is effectively a blank canvas for the next owners. There is ample driveway parking to the front of the home and it is within walking distance of Cove Infants School and local parks.
