Description

An immaculately presented four bedroom family home, situated within sought after school catchments and backing onto a nature reserve. The property has been extensively modernised and updated during the current owner's tenure, to include a modern kitchen/breakfast room with French doors to the landscaped rear garden, a living room, study/saloon and a cloakroom on the ground floor. The first floor offers three double bedrooms, a further fourth generous single bedroom, a modern family bathroom and further cloakroom. Other features to note include a modern boiler and recently added solar panels with battery storage. Viewings are highly advised and strictly by appointment only.

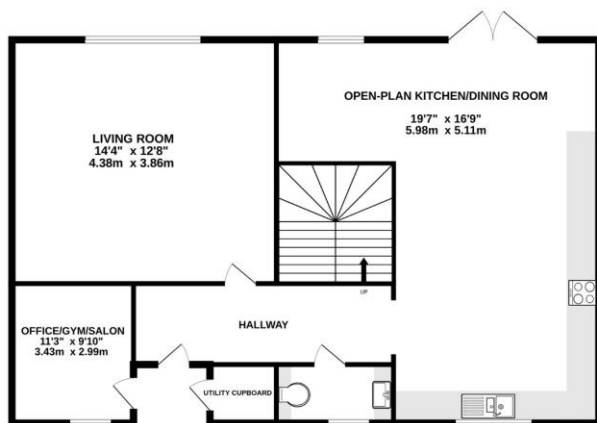

Outside

Both front and rear gardens have been professionally landscaped and paved to create a low maintenance space which is also ideal for al fresco dining. The rear garden also offers a gate to the rear which leads directly into a nature reserve of Crookham Park SANGS. The property also benefits from an allocated parking space within the residents' car park, along with use of visitors' spaces and on street parking.
