## Description

Former show apartment in the Pembroke Manor development constructed by Taylor Wimpey. Although situated on the ground floor, this apartment is elevated above street level. Throughout the entire apartment, there is an abundance of natural light and a luxurious atmosphere created by the original designers employed by the developers. The apartment boasts two generously sized double bedrooms, each equipped with mirrored wardrobes to maximize light. The primary bedroom features a contemporary en suite bathroom, while the main bathroom is finished to the same high standard. Undoubtedly, the highlight of the apartment is the open plan yet distinct kitchen, dining, and living area. A floor to ceiling glazed bay window bathes this space in afternoon light, providing a westerly facing view. Additional benefits include the proximity of Hooks mainline railway station and a Tesco supermarket within a short walking distance.

## Outside

The parking for this apartment is situated directly across from this flat, allowing your vehicle to be visible from the apartment's vantage point. Access to the building is through the main entrance on Station Road, with steps leading up to the secure entry door equipped with a fob entry system.
